**A quarter of a century –
shared success, innovation and growth.**

This year we proudly celebrated our 25th company anniversary, a milestone that belongs entirely to those who give their best for our company every day - our employees. In recognition of their significant role in our success story, we organized a series of special employee events to simply say **THANK YOU**.

Thank You!

1st EVENT

Hiking tour

A very special hiking trip through the Thuringian Forest to the summit of the Dolmar (739.6 m above sea level).

2nd EVENT

City trip

The wonderful city Bayreuth was the destination of the second event in the anniversary year. Brewery tour at Maisels and city tour were included.
